Cator, Ruma & Associates Opens Wyoming Office

Lakewood, Colorado – January 11, 2012 – Mechanical/Electrical/IT consulting engineering firm Cator, Ruma & Associates announced the opening of their new Wyoming office located in downtown Cheyenne, WY.

"We're excited to offer a higher level of commitment and accessibility to our Wyoming clients," stated Michael Meints, President. "Our work in Wyoming has thrived for years--healthcare, K-12, higher education--projects across these market sectors are continually evolving to give Wyoming residents an even better quality of life. We're excited to be a part of that."

Cator, Ruma & Associates has served Wyoming clients on a multitude of different project types over the past five decades. "Opening an office to better serve our clients and bring our expertise to the Wyoming market was the next logical step," stated Meints. The new office will be spearheaded by Charlene Bocek, P.E. Marketing support will be spearheaded by Blake Winter, P.E.

About Cator, Ruma & Associates

Since 1959, Cator, Ruma & Associates has been providing consulting engineering services for institutional, commercial, industrial, and medical facilities throughout Wyoming, Colorado and the Western Region. We are one of the premier mechanical, electrical, plumbing, architectural lighting, and information technology firms in the western United States.
